A Reminder

From your LCPOA petition committee

If you have not yet returned your ballot in the self addressed stamped envelope provided in our previous letter we request that you do so now as we will not be able to open and count the ballots at the annual meeting without a 2/3 quorum of responding Owners. This is a significant increase in the quorum requirements and is larger than the usual LCPOA owners voting on a given issue – so please respond.

If anyone has misplaced your individualized ballot you can request a replacement by e-mail at bpratt@overland.net or by mail at Tom Hobby HCR 75 Box 198 Ft. Davis TX 79734.
